

# North American zoos and nature centres with mustelids

List created primarily by © *birdsandbats* on [www.zoochat.com](http://www.zoochat.com). A few more added by [www.genuinemustelids.org](http://www.genuinemustelids.org).

Last Updated: 24/01/26

**Note:** This list significantly outdated, as we lack the personnel to keep up with how often exhibits change. We also cannot verify all claims since we depended on external sources for the majority of the information. Any updates we make to this list are only adding locations, not removing them. So before planning a trip to any of these establishments, we recommended that you contact their office for confirmation on the animals they currently hold.

## **African Clawless Otter (*Aonyx capensis*)**

Metro Richmond Zoo (Virginia)

San Diego Zoo (California)

## **Asian Small-Clawed Otter (*Aonyx cinereus*)**

Audubon Zoo (Louisiana)
